

The Huntsville Art League Artist Mentorship Program: AMP Application

Welcome to the AMP application process. Please read the application instructions carefully, and submit your completed application to sclasaterart@gmail.com no later than September 25, 2016. If you should need assistance during the application process, contact our AMP Chair at sclasaterart@gmail.com.

Name:

Phone Number:

Mailing Address:

Medium:

1) AMP is free of charge, but requires a significant time commitment. You will be expected to participate in peer critiques, classes, and mentorship sessions over the course of 6 months. The expected time commitment is one event every other week, on average. Are you able to dedicate this amount of time to the AMP program?

2) List 3 specific goals you have as an artist.

3) Describe your artistic background and education.

4.) What are your strengths and weaknesses as an artist? What will you be able to offer other artists during meetings, peer critique and networking?

Work Samples

Please email 3 images of your work to sclasaterart@gmail.com for review. Include a brief description of process, medium, and size for each image. Most importantly, list one strength and one weakness about each image. This will help us to identify the skills you are most interested in targeting through AMP and help us match you with an appropriate mentor. When submitting photos, make sure they are small files and are labeled with your first and last name.

Artist Statement

Please submit an artist statement that describes your work and your inspiration as an artist. This should be no longer than one page in length.
