

President's Notes

HUNTSVILLE ART LEAGUE IN 2015 IN 2015!

That's not a typo. HAL, in the year 2015, is now in Studio 2015 at Lowe Mill. Both aspects are noteworthy.

The year 2015. I don't know if JoAnn Savas (first HAL President) and the other founders in 1957 thought that HAL would survive to 2015. It is unusual for Non-profits to last that long. But HAL has continued to evolve and serve the needs of the visual arts community for 57 years.

Studio 2015 is HAL's latest home at Lowe Mill; the largest private arts facility in the nation. We are excited to be part of a virtual powerhouse of creativity... covering not only Alabama, but the southeast.

December 20 was the **Grand Opening** of the North Wing and literally thousands of folks passed thru HAL that day. It was estimated that over 10,000 visited Lowe Mill.

If you have not visited HAL since we moved, we invite you to stop by! You will be very pleased with our new 2,100 sqft facility. We have room for art, prints, jewelry, pottery, and of course, our classroom.

Come on down and get some hand-made, unique art and gifts!

COLLECTOR'S DRAW!

Get your ticket now! If you are not familiar with Collector's Draw; step one is to buy a ticket for \$125 (worth \$175 to \$300 or more). Each ticket has a number. At the Reception (Jan. 31, 4-6 PM), the art will be on display, and you will rank your favorites. At the Draw (Feb. 14, 4PM), WHNT's Steve Johnson will pick ticket numbers "from a hat". The first number called has their pick from ALL the art. The second person called has their pick from all the remaining art; and so on. Everyone gets a piece of art; and has a great time in the process.

We will start to display the art on Jan. 15, so be sure to visit HAL soon!
