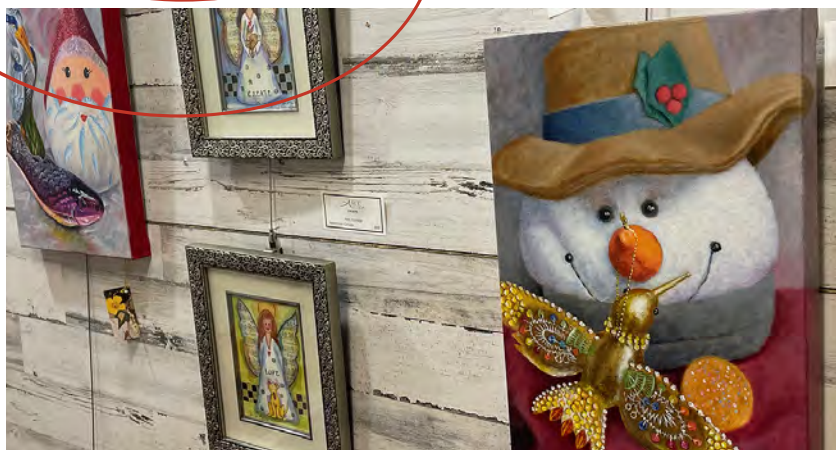
PROMOTING UNDERSTANDING, APPRECIATION AND GENERAL INTEREST IN THE VISUAL ARTS • DECEMBER 2022

'Tis The Season



Here we are in the last quarter of 2022! The holiday displays are up and the Christmas tree is sparkling!

HAL is delighted to be displaying the work of several artists who are new to our co-op: Favio Caraguay, Raul Ramachandron, Sandra Lasater, Barbara Carlson, Denise DeKemper, Peter Hovanes, Marsha Swartz, Martha Bibee and Janice Hutchison.

Come by and see their beautiful and exciting artwork. There is something for everyone at HAL! Hope to see you soon.

Hal Huntsville Library Exhibit 2023

HAL artists have the opportunity to exhibit their work at the downtown public library for a two-month period. The display area surrounds the central staircase across from the main desk. This provides great exposure for your artwork.

HAL has three two-month commitments — January through February, May through June and September through October. Two artists share the space each time. You will need 10-15 pieces of work depending on the size of the pieces.

If you are interested in participating please reply to the email below. I have six spaces available for 2023.

Thank you, Claire Whitmore
